MISREPRESENTATION AND NON-DISCLOSURE

The entire coverage under this policy shall be voidable if the *insurer* determines, whether before or after loss, that the *insured person* has concealed, misrepresented or failed to disclose any material fact or circumstance concerning this policy or his interest therein, or if the *insured person* refuses to disclose information or to permit the use of such information, pertaining to any of the *insured persons* under this policy. Consequently, and following a loss, no claim shall be payable by the *insurer* and the *insured person* shall be solely responsible for all expenses relating to his claim, including medical repatriation costs.

MISSTATEMENT OF AGE

If *your* age has been misstated to the *insurer*, the coverage and/or premium may be adjusted in accordance with the correct age as of the date *you* applied for coverage to become effective. Any premium adjustment is payable upon receipt of a premium notice.

NO ASSIGNMENT

Any benefits payable or which may become payable under this policy cannot be assigned by *you*. The *insurer* is not responsible for and will not be bound by any assignment entered into by *you*. In the event of an assignment, *you* agree to defend and indemnify the *insurer* in respect of any dispute regarding benefits payable or which may become payable as a consequence of an assignment.

OTHER INSURANCE

This insurance is a second payor plan. For any loss or damage insured by, or for any claim payable under any other liability, group or individual basic or extended health insurance plan, or contracts including any private or provincial or territorial auto insurance plan providing *hospital*, medical, or therapeutic coverage, or any other insurance in force concurrently herewith, amounts payable hereunder are limited to those covered benefits incurred outside *your country of origin* that are in excess of the amounts for which an *insured person* is insured under such other coverage.

You may not claim or receive in total more than 100% of the loss caused by the insured event.

OVERPAYMENT OF BENEFITS

Nothing in this policy will prevent the *insurer* from recovering from the person or organization to which such payment has been made any overpayment of benefit, irrespective of the cause of such overpayment.

PREMIUM PAYMENT

The required premium is due and payable at the time of application and will be determined according to the rate schedule then in effect. The minimum premium is $20 per policy. Premium rates, policy terms and conditions are based on *your* age as of the effective date. If the premium paid is insufficient for the coverage selected, the *insurer* will charge and collect any underpayment. Coverage will be null and void if the premium is not received, if a cheque is not honoured for any reason, if credit card charges are invalid, or if no proof of *your* payment exists.

PROTECTING *YOUR* PRIVACY

The *insurer* places great importance on the protection of *your* privacy. *Your* personal information will be collected, used and disclosed only for the purpose of providing *you* with the insurance services *you* requested. This information remains confidential, as is required under applicable federal and provincial laws. In the event of a claim, the *Assistance Company* and the *insurer* may collect *your* personal health information held by a third party. This information may be released to employees of the *Assistance Company* and the *insurer* for claims analysis and to better serve *you*.

In no case will the *insurer* release this information to any person or organization that is not clearly entitled to it without first seeking *your* consent. For details of the *insurer*'s privacy policy please see:

REFUNDS

Other than as provided under the 10 Day Right to Examine, if termination of this policy is requested a pro-rata refund will be provided for unused days of coverage provided no claim has been made or will be made, subject to an Administration Fee.

Note: Requests for refunds must be received in writing by *your* broker or sales agent no later than 60 days from the date *you* became eligible and/or covered under a *government health insurance plan*, or the date of *your* early return, or the expiry date of *your* policy. Once *your* broker or sales agent receives satisfactory proof (e.g. airline ticket/boarding pass, customs/immigration stamp), of *your* early return, or proof of the date *you* became eligible and/or covered under a *government health insurance plan*, *your* refund will be calculated from that date, otherwise calculation of such refunds will be based on the postmarked date of *your* written request.

A request for a premium refund will be considered only if no claim has been paid or is pending. No refund will be issued if the amount of premium to be reimbursed is less than $20 per policy.

SUBROGATION

If an *insured person* suffers a loss covered under this policy, the *insurer* is granted the right from the *insured person* to take action to enforce all the *insured person*'s rights, powers, privileges, and remedies, to the extent of benefits paid under this policy, against any person, legal person or entity which caused such loss. Additionally, if "no fault" benefits or other collateral sources of payment of medical expenses are available to the *insured person*, regardless of fault, the *insurer* is granted the right to make demand for, and recover, those benefits. If the *insurer* institutes an action it may do so at its own expense, in the name of the *insured person*, and the *insured person* will attend at the place of loss to assist in the action, in addition to providing the *insurer* all information, cooperation and assistance as the *insurer* may reasonably require. If the *insured person* institutes a demand or action for a covered loss, the *insured person* shall immediately notify the *insurer* so that the *insurer* may safeguard its rights. The *insured person* shall take no action after a loss that will impair the rights of the *insurer* set forth in this paragraph and shall do all such things as are necessary to secure such rights.

FAILURE TO GIVE NOTICE OR PROOF

Failure to give notice of claim or furnish proof of claim within the time required by this condition does not invalidate the claim if

1. the notice or proof is given or furnished as soon as reasonably possible, and in no event later than one (1) year after the date of the *accident* or the date a claim arises under the contract on account of *sickness* or disability, and it is shown that it was not reasonably possible to give the notice or furnish the proof in the time required by this condition, or

RIGHTS OF EXAMINATION

As a condition precedent to recovery of insurance money under the contract,

a) the claimant must give the *insurer* an opportunity to examine the person of the person insured when and as often as it reasonably requires while the claim is pending, and
